

Life-Size Right Whale Model

# Environmental Education Center

**AUDUBON SOCIETY of RHODE ISLAND**

*Bristol, Rhode Island*

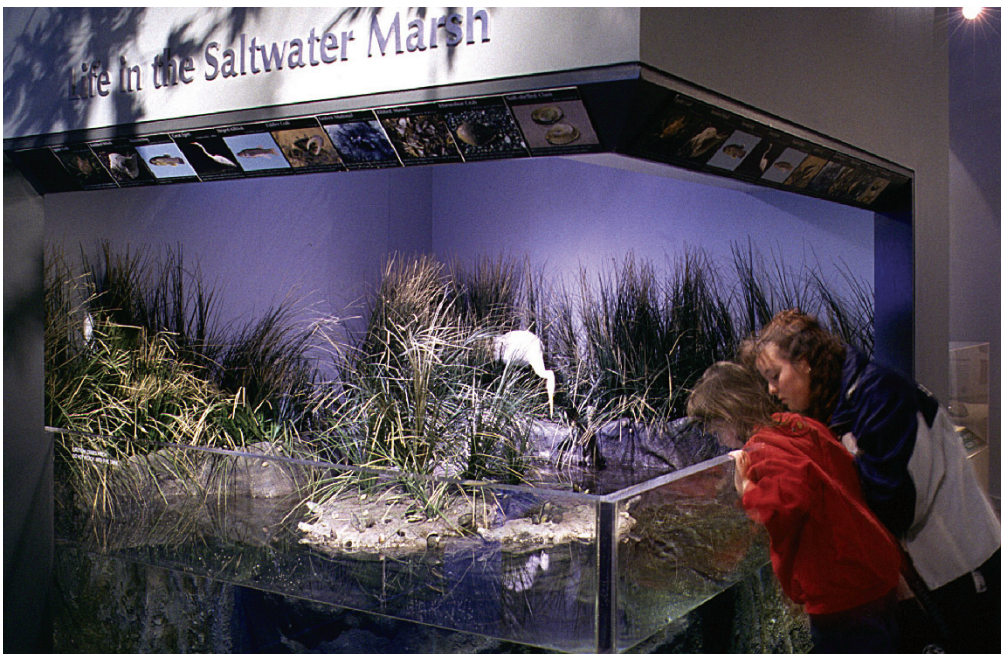

## PROJECT FACTS

scope	Exhibit Planning and Design
size	3,500 SF
budget	\$550,000 for Exhibits
architect	Durkee, Brown, Vivieros & Werenfels
completed	2000

Bird Watching Exhibit

The Audubon Society of Rhode Island selected Lyons/Zaremba Inc. to program and design the exhibits for Audubon's flagship Environmental Education Center, which is located on Audubon's 26-acre Bristol property. The exhibits orient visitors to on-site farmlands, meadows, ponds, marshes, beaches, salt marshes, and the coastal environment of Narragansett Bay. The main message: Rhode Islanders are linked to important ecosystems—some of which may be as close as their own backyards.
