## River Bend Farm

**COMMONWEALTH of MASSACHUSETTS and  
DEPARTMENT of ENVIRONMENTAL MANAGEMENT**

*Uxbridge, Massachusetts*

### PROJECT FACTS

scope	Exhibit Planning and Design
size	2,000 SF
budget	\$85,000 for Exhibits
completed	2003

Exhibit Case Detail

River Bend Farm's restored antique barn became one of several historical exhibit sites along the Blackstone River Corridor. Lyons/Zaremba designed exhibits to highlight rural life – both before and after the industrial revolution. The mixture of archival images, as well as period and reproduction artifacts, give visitors an idea of what rural life was like in the 1800s.

Pre-Industrial Life Gallery

Early Modern Life Gallery
